INDEPENDENT LIVING

KITCHENS AND BATHROOMS

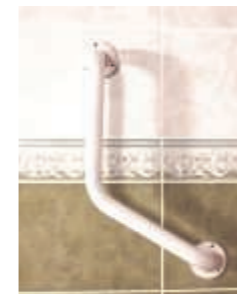

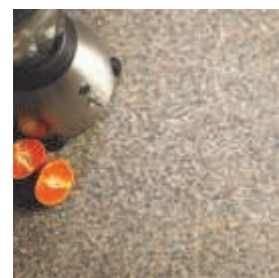

KITCHENS

Inspirations at RGC are a Devon based independent specialist in the design and installation of kitchens and bathrooms with high levels of creativity, innovative styling and quality workmanship

Our daily living kitchen solutions for the elderly and disabled include pull out or pull down baskets for easy access, adjustable rise and fall units for multi user kitchens, side opening appliances and front control hobs. They can all be built into to any of our bespoke kitchen ranges to ensure enhanced independence and individual lifestyles are easily maintained.

- Adaptable appliances and fittings
- Full range of worktop and door options
- Superior strength and quality
- Independent local specialists
- Full in-house design studio

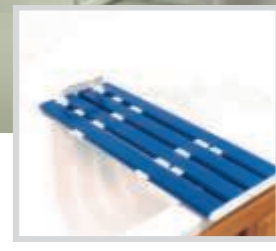

BATHROOMS

We also provide an extensive range of high quality innovative bathroom products designed and manufactured to give extra confidence and assistance including; shower enclosures, trays and seats as well as grab rails, chairs, stools, fold down rails, toilet plinths, bath boards and bath seats.

Bathrooms and wet-rooms can be adapted to meet individual needs and provide a fully functional space for the whole family. Level access can be incorporated and most items are available in white or blue to aid the visually impaired.

Stylish Wall and floor tiling, under floor heating options and well planned lighting complete the room.

- Grab rails and bathing accessories
- Shower screens and panels
- Toilet pans cisterns and wash basins
- Full surveying service
- Expert fitting teams
